MScFN Internship Stream Application
Supplemental Questions

Once completed, applicants must upload this document into your application as a Supplemental Document. HINT: save the blank document to your computer before editing then upload the completed document from your computer, or print to upload the completed document as a completed pdf.

All questions should be answered in free format with a 400 word maximum.

1. **Why are you interested in the MSc Foods and Nutrition Internship Stream program?**

2. **What experiences do you think have prepared you to be successful in a practical training program?**

3. **List any preferences you may have for placements (preferred areas of dietetic practice, for example clinical specialities, population public health, management, etc.)**

4. **What are your preferred geographic locations in Ontario for completing practicum placements? Please list your top 3 regional preferences.** (London, Sarnia, GTA-West, GTA-East, Niagara, Kingston, Various – open to multiple locations or specify an alternate region.)

5. **List research topics that you would be interested in pursuing for the research component of the program, including the name(s) of preferred Brescia Faculty Advisors.** Information for Brescia's faculty and their research can be found online at http://brescia.uwo.ca/academics/graduate-programs/msc-foods-nutrition/faculty-and-research
