STAFF VACANCY

Brescia University College (www.brescia.uwo.ca), a Catholic university college affiliated with Western University, is Canada’s only women’s university providing a rich educational experience to over 1,500 students. Brescia is seeking a dynamic individual to fill a position as:

**Learning & Development Specialist, Experiential Education**

(Permanent full-time – Salary Grade Level, to be determined)

The Learning and Development Specialist, Experiential Education is responsible for creating, implementing, and assessing Brescia’s holistic Experiential Education model grounded in outcomes-based learning, high impact practices, and Brescia’s mission as a Women’s University.

Brescia’s vision for Experiential Education demonstrates excellence in teaching and learning and is pivotal in achieving an actively engaged student experience. It emphasizes the link between Brescia’s competencies, Brescia’s mission as a women’s university and the essential skills students required for future success. The Learning and Development Specialist, Experiential Education plays a critical role in the delivery of quality experiential education by: establishing Brescia’s experiential education strategy; strengthening partnerships with industry, community, government, and alumnae to promote Brescia’s programs and students; expanding experiential learning activities aligned with Brescia’s strategic plan; implementing necessary policies, procedures, practices; and enabling faculty, staff, and student involvement in experiential education at Brescia.

This position reports to the Vice-Principal & Academic Dean and Vice-Principal, Students and works closely with the Associate Director, ALT Centre and Manager, Student Life to integrate experiential education throughout the institution, both curricular and co-curricular.

Qualifications include, a four (4) year degree in adult education, public administration, Community Planning or related field. A Master’s degree in adult education/educational administration would be considered an asset. Minimum 5 years’ progressive experience in Experiential Education in a post-secondary environment or industry context; in particular, related to project management, policy development, building effective cross-sector partnerships.
