STAFF VACANCY

Brescia University College (www.brescia.uwo.ca), a Catholic university college affiliated with Western University, is Canada’s only women’s university providing instruction to over 1500 students. Brescia is currently seeking an experienced and dynamic individual to fill a position as:

**Dietetic Education Coordinator**

(Permanent Full-time position)

(Salary Range, $75,803 - $89,508 depending on experience)

Reporting to the Chair, School of Food and Nutritional Sciences, the Dietetic Education Coordinator (DEC) will provide academic and administrative leadership for the educational and professional standards of the dietetic practicum programs (i.e., MScFN Internship Stream and Diploma in Dietetic Education and Practical Training). The DEC plans, coordinates, facilitates and supervises the daily operations, program development/evaluation, and strategic/operational planning of the programs. The position is responsible for the education, support and mentorship of dietetic practicum students so that graduates meet the entry-level regulatory standards for Registered Dietitians. The successful candidate will work closely with the other DECs and will provide direction and guidance to undergraduate food and nutrition students regarding career and educational options.

The Dietetic Education Coordinator must possess a relevant Masters degree in compliance with PDEP (Partnership for Dietetic Education and Practice) accreditation standards, be a current member of Dietitians of Canada and hold registration with the College of Dietitians of Ontario or other provincial dietetics regulatory body. A minimum of five years experience as a RD and broad experience as a preceptor of dietetics students and in program coordination are required qualifications. Experience in teaching at the university level, curriculum development and student assessment are assets. Knowledge of the PDEP accreditation standards and the integrated competencies for dietetic education and practice is essential. The DEC needs to be familiar with relevant food- and health-related organizations throughout Ontario and have extensive professional connections with dietitians in a range of sectors. Well-developed organizational, communication, interpersonal and administrative skills to work in a fast-paced student-centered environment are essential, as are decision-making, problem solving, and judgement skills.
