The normal grounds for the granting of a Dean's Waiver of Progression Requirements are medical or personal extenuating circumstances. The grounds for the petition must be supported by documented evidence and be shown to have had a significant effect on the student's ability to perform in his/her various evaluative assignments. For a waiver of progression requirements to be granted there must also be evidence that the student is now able to complete academic work satisfactorily.

If you feel that your circumstances warrant such consideration, please follow the procedure outlined below. **(The petition should be completed on a computer and printed. You are asked to number your responses, and/or quote the question and attach your sheets to this cover page.)**

NOTE: The form with supporting documentation must be completed and submitted to Brescia University College no later than June 30, 2016 at 4:00pm.

Students are encouraged to consult *Brescia University College: General Guidelines for Academic Relief* for Information on Brescia practices.
