

The Circle Labyrinth at Brescia University College Access and Availability for Individuals and Groups

Individuals

The Circle Labyrinth is open at all times to the general public and we welcome individuals to come explore and experience this beautiful sacred space at Brescia. Parking information and a map indicating the location of the labyrinth can be found on our website. Once in a while there may be a group who has come to experience the labyrinth collectively. This occurs rarely, however should you encounter a group, please respect their journey in the labyrinth by seeing whether it is appropriate to join them or by returning for your own walk at another time.

Groups –Informal or Formal

Informal groups: If you have an informal group of people (i.e. a group of friends, your book club, etc.) who would like to walk our labyrinth as a collective, please call or email The Circle to let us know the date and time of the walk. This is simply so we don't have 2 groups sharing the space at the same time.

Formal groups: If your organization or collective would like to use the labyrinth especially if it includes advertising of the event, please call or email us for our permission for the use the labyrinth and to include our labyrinth information within your advertising materials. A small donation for the use of the space to help cover the maintenance and upkeep of the labyrinth is not required, but would be greatly appreciated!

Contact information: Telephone- (519) 432-8353 ext. 28288 or email- circle@uwo.ca

Thank-you!
