

EMAIL SENT JUNE 16, 2016

Dear Students,

Below are some important reminders from the Financial Aid & Fees Office:

### **Fall/Winter Tuition Fees**

-The 2016-2017 academic year Fee Schedule will be available soon. Check the Brescia webpage for updates. Students should remember to pay their fees to BRESCIA not Western. The first installment of fees is due on August 10, 2016.

### **Personal Brescia Invoice**

-Your tuition/residence fees will be posted on your **Brescia Personal Invoice** found [here](#). Please remember that Brescia DOES NOT use your UWO Student Centre to post fees. Your personal invoice will not be available until mid-July. Check the website and your UWO email account for updates. Questions regarding fees and your personal invoice can be directed to [brescia@uwo.ca](mailto:brescia@uwo.ca).

### **2016-2017 Fall/Winter OSAP Application**

-The full-time OSAP application and 30% Off Ontario Tuition Grant (stand-alone) web applications are now available. The part-time OSAP application will be available in early July. Remember, Brescia students are asked to complete their application by **June 30<sup>th</sup>** to ensure funding is in place by the start of the academic year, and for students relying on OSAP to cover their first installment of fees. Students with questions or concerns regarding OSAP should email [brfinaid@uwo.ca](mailto:brfinaid@uwo.ca).

### **Fee Deferral**

Qualified OSAP students will be allowed to defer their payment of tuition and residence fees due in mid-August, until their OSAP funding is released. To qualify you must meet ALL of the following conditions:

- Applied for OSAP by June 30th and submitted to Brescia all outstanding OSAP paperwork no later than the first Friday in July and;
- Selected the option that allows “the Ministry may use a portion of my OSAP funding to pay, on my behalf, my tuition and compulsory fees directly to my school” a question directly on the OSAP application and;
- Verified that you will be receiving OSAP funding and that your September/January disbursement of OSAP is enough to cover your First/Second installment of fees. If it is not you will need to pay the difference by the appropriate deadline.\* Refer [here](#) for Brescia’s deadlines.

Students will not have their OSAP assessments finalized until sometime in July. So this is not something that you can currently verify.

### **Brescia's Bursary and Work Study Program**

-Brescia's Fall/Winter Bursary & Work Study program will be announced soon. Stay tuned to your UWO email and Brescia's website for more information in the near future! The anticipated release date is set for early July.

### **External Financial Aid**

-Now is a great time of year to check out external sources of financial aid. Brescia has created a list of some external scholarships, awards, and bursaries that are offered to university students on behalf of outside organizations. See what is out there and APPLY! Click [here](#) for the list.

-One specifically worth highlighting: **\*New Scholarship Opportunity\*** for students in the School of Leadership and Social Change at Brescia. According to the application criteria, students registered in any type of degree/certificate/program that will enhance a career in the non-profit sector is eligible. The list of possible programs is provided on the web link and includes but is not limited to non-profit management, leadership development and community engagement. Click [here](#) for more information.

Please continue to check your email throughout the summer for important updates from the Financial Aid Office and Fees Office.
