

EMAIL SENT JUNE 9, 2017

Dear Brescia Student,

June 30th is fast approaching! This date is the annual deadline to submit your OSAP application for consideration of a fee deferral. Brescia allows qualified OSAP students to defer their payment of tuition and residence fees due in mid-August, until their OSAP funding is released if they have applied for OSAP by June 30th. Note: Students must also ensure that their OSAP disbursement is enough to cover their first installment of fees.

So if you have not already applied for OSAP and submitted your paperwork to Brescia, please do so as soon as possible!

Part-Time OSAP

Please note the OSAP application for Part-Time students is not currently available. It is expected that this application will be posted in July. Please continue to check your OSAP account for the release of this application. Remember **Part time OSAP** is considered to be 20%-59% of a full course load. (ie. Less than 3.0 credits per term).

How to Apply

1) Fill out the OSAP application for the 2017-2018 academic year <https://osap.gov.on.ca/>

2) Submit the on-line application

3) Print & Submit any supporting documentation to BRESCIA. My address is below. **Please note that the Ministry is going "green."** For any student who submitted student/parental signature pages last academic year for OSAP, you will not be required to do so again this year-so don't be alarmed. Once the application is submitted you will be notified of any documentation you must submit.

Important Notes

- The Brescia Business Office will be closed on Friday June 30th. For any student dropping off OSAP paperwork, there is a drop box outside the Hive where you can drop off your paperwork.
- The Financial Aid Officer will be out of the office on Friday June 30th to Monday July 3rd. For any OSAP issues that arise during this time, students can touch base with me the following week. There will still be time to submit the application.

If you have any questions, please contact me.

All the best,

Ariel
