Dear Student,

We are pleased to announce that we are now able to provide refunds by e-transfer. It is our hope that this method will improve our refund efficiency.

Once your refund has been approved, you will receive an e-mail which will provide further instructions.

Please note that international students will still receive their refund by cheque.

Any students that do not wish to receive their refund by e-transfer are instructed to e-mail [business@uwo.ca](mailto:business@uwo.ca) and we will do our best to accommodate your request.

As a reminder, Students who are receiving OSAP and have credit amounts on their accounts may have their refund directed to the National Student Loan Service Centre (NSLSC) as outlined in the terms and conditions of the Master Student Financial Assistance Agreement (MSFAA). Please contact [brfinaid@uwo.ca](mailto:brfinaid@uwo.ca) for more information.

Regards,

Ariel Brown
