

EMAIL SENT SEPTEMBER 11, 2017

Dear Students,

Below are some important reminders from the Brescia Financial Aid & Fees Office:

Tuition Fees/Personal Brescia Invoice

-Reminder to all students to check their **Brescia Personal Invoice** [here](#). Updates are continuously being made to accounts, and late fees will be assessed and added within the next 2 weeks. So you are advised to keep checking your account regularly. Students with questions regarding their account can email brescia@uwo.ca.

Health/Dental Opt-Out

-As part of your ancillary/compulsory fees, any student registered in 3.5 courses or more is charged the USC Health/Dental Plan. Students can choose to opt-out of the Health and/or Dental Plan at www.studentbenefits.ca no later than **September 22nd, 2017** for a refund. The refund will not be reflected on your Brescia personal invoice until early November.

Parking

-For information regarding parking at Brescia please click [here](#).

OSAP Students

- Confirmation of Enrollment for OSAP has occurred and will continue as applications continue to process. Students can expect to receive OSAP funding in their bank account within 5-7 business days from when their enrollment was confirmed. Students who have not received their funding after this timeframe are directed to call the NSLSC at 1-888-815-4514 regarding the status of their funding.

- Students can log into their OSAP account to verify that Brescia has confirmed enrollment. By clicking "Funding Summary" students can verify the amount of OSAP that was requested to be directed to Brescia. **Please note:** Brescia does not receive the funding until late September and your Personal Invoice will not be updated until the funding has been received (however, we know it has been requested). Students are asked to VERIFY that the amount Brescia requested is enough to cover First Installment.

-Students should also be aware that OSAP is sent to WESTERN first, who then directs the funding to Brescia automatically. Any credit on your UWO Student Centre is likely the OSAP funding waiting to be transferred to Brescia. Please be patient.

-Students with questions or concerns regarding OSAP should email brfinaid@uwo.ca.
