Important Dates & Notes

Second term Fee Deadline
December 1st 2018

Bursaries and Scholarships
Students can still apply for general bursaries. Late applications will be reviewed in January

Updates from the Business Office

Fall/Winter Tuition Fees

-The [2018-2019 academic year Fee Schedule](#) is available on the Brescia web page. Reminder to all students that your second installment of fees (ie. Your remaining balance) was due on December 01, 2018. Please continue to check your Brescia Personal Invoice. OSAP students need to verify that their January disbursement is enough to cover the remaining balance. If not, you will need to pay out of pocket by the deadline.

Please note: Any billing changes for students with a 3.5 course registration will be completed in January. If you would like to self-identify in advance please email business@uwo.ca. If you are making any changes to your courses, your fees are subject to change and we will continue to update these invoices on an on-going basis.

Please note that any account not paid prior to December 31st, will be charged a late fee (unless the anticipated OSAP remittance is enough to cover the full outstanding balance.)

Updates from the Financial Aid Office

Brescia Scholarships/Awards/Bursaries

Students can still submit a 2018-2019 Financial Assistance Application to be considered for a Brescia Bursary. Email communication will be sent to your UWO email account with the decision late January. A reminder that bursaries are applied directly to your Brescia Personal Invoice to apply against any outstanding balance.

Bold Works - Work Study Programs

The BOLD works program is currently closed for the winter term. Students interested in participating in the summer program will be able to submit an application in the early spring.

Important Notes:

BUCSC Student Opportunity Grant

This grant fund provides assistance to students with fees that they incur throughout the year that are not covered by other scholarships or award initiatives, but still place a significant burden on students with constrained financial resources. The policy and application is available on the Brescia Bursaries web page. Please submit applications to the HIVE for review by the Financial Aid Office.
