OVERVIEW

BRESCIA UNIVERSITY COLLEGE will offer this winter the opportunity for students to complete a full-credit experiential learning course combining classroom learning with personal observation. Through lectures on-campus at Brescia, and site visits and other activities in Japan (Tokyo and Ichikawa), students will have the opportunity to examine differences in food and nutrition cultures and professions in both Canada and Japan.

THE COURSE

Students enroll in the following course for the 2019-2020 Academic Year: Foods & Nutrition 4488X

• Students will be engaged in seminars and lectures throughout the Winter term and will travel with Brescia Faculty and Staff to Japan in February for a 10-day experiential-learning experience.
