

EMAIL SENT MAY 10, 2017

Congratulations on another Academic Year complete! You all worked very hard, and deserve all fun that summer can bring. Below, you will find some information on what you need to know about Adjudication and Registration for courses for next year.

Program Eligibility - Adjudication

Over the next couple of weeks, your Intent to Register will be checked against your final grades to determine your program eligibility. Beginning the first week of June you will be able to see your report comments online in Student Center. Your report comments will state your eligibility for the program you requested and any outstanding degree/program requirements. You can find this information in Student Center, under "Grades", then "view my grade report." ***Please note: In order to complete this work, Academic Advisors will not be available for academic advising appointments May 11th to May 26th.***

Course Registration for Fall/Winter 2017-18

Your program information and year of study will change in Mid- June on your Student Center to reflect decisions made during Adjudication.

This year, our registration guide, as well as Brescia's timetable will be available online in early June. An email will be sent when the material is on the website for your use. Please remember to continue to check your UWO email all summer for updates and important information from Brescia and Western.

You will also receive an email reminder to check online at <https://student.uwo.ca> (Student Centre) to view your enrollment date (found under "Enrollment"). This date will be the day and time that you can BEGIN registering for courses online. *Please do not request to be enrolled in courses prior to your enrollment date; these requests cannot be approved.* The dates for registration are as follows:

First year Students – June 17th
Fourth Year Students – June 20th-June 23rd
Third Year Students – July 3rd-July 6th
Second Year Students – July 11th-July 14th

Academic Advising will continue to be available in the summer months. In order to accommodate more students, we will be changing summer appointments to 15 minutes. To make this work we will need you to come prepared for your appointment, having already done some research on the courses you wish to take, and having made a tentative timetable.

Appointments: 15 Minute Appointments from Monday to Thursday 9:30am-11:30am and 1:30pm-3:30pm.

Note: No appointments will be scheduled on Tuesday afternoons.

Phone appointments are available for students that reside outside of London during the summer months.

When contacting us by phone or by email **please include your student number**. To assist us in our response time to your questions, we ask that you email only one Advisor or email address. If you have registration questions, please email brescia.hotline@uwo.ca.

We hope you have an enjoyable and relaxing summer!

Sincerely,

Your Academic Advisors and the Registrar's Office Team
