

*EMAIL SENT MAY 7, 2018*

We hope that all of you have had a chance to relax after the long academic year! We know that many of you are thinking ahead to September, so please review the information below to find out what will be happening at Brescia over the summer months.

### **Program Eligibility**

Over the next two weeks, your Intent to Register will be checked against your final grades to determine your program eligibility. Beginning the first week of June you will be able to see your report comments online at [student.uwo.ca](http://student.uwo.ca) by selecting “Grades” and then “view my grade report”. Your report comments will state your eligibility for the program you requested and any outstanding degree/program requirements (eg. must complete 1.0 course from Category B, must complete essay requirement for degree).

### **Fall/Winter 2018-19 Course Registration**

Your program information will be updated mid-June to reflect the program that you were adjudicated for.

To prepare for Fall/Winter 2018-19 course enrolment, registration information, including the Brescia registration guide and timetables (Brescia, affiliate and Western) will be available on our website as soon as they become available (anticipate June 1st) .

In mid-June you will receive an email reminder to check online at [student.uwo.ca](http://student.uwo.ca) to view your enrollment date (found under enrollment on the right side). This date will be the day and time that you can BEGIN registering for fall/winter web registration. Please do not request to be enrolled in courses prior to your enrollment date as these requests cannot be approved.

During the summer months, the Academic Advising Team will be available for appointments either in-person or over the phone. To arrange an appointment, please feel free to use our Bookedin Academic Advising Appointment booking service (<https://directory.bookedin.com/brescia-university-college>), or contact the Hive at Brescia at 519-858-5151- or [brescia@uwo.ca](mailto:brescia@uwo.ca). When contacting the Hive by email, **please be sure to include your student number.**

**Please note:** Academic Advising will not be available the week of May 14-18, 2018 as the Academic Advisors will be conducting adjudication.

**Keep Connected with Academic Advising during the summer**

Are you interested in receiving mobile updates and reminders from the Academic Advising Team at Brescia for the Fall/Winter 2018-19 academic session? If so, simply text @bresciauc to (289) 803-3844 and confirm your details to join our Remind app Class.

Enjoy the beautiful weather!
