Register for the International Bridging Program
I choose to lead with integrity.

I was honored to speak at the opening ceremony and offer my congratulations for Brescia’s new Academic Pavilion in 2019. With this new facility, students will receive a world-class educational experience and be well prepared to contribute to society. I am so proud to be a Brescia student. Brescia helps students build their self-confidence and prepares them to become leaders. I feel comfortable and safe here. When I do struggle I don’t feel alone as I know all faculty and staff are there as a strong backup. I came to Brescia for the Preliminary Year Program so I could learn to adapt to university life earlier. As a newcomer to Canada, the program created a supportive environment for me to learn and integrate into this new culture. It also prepared me well for the Nutrition and Dietetics program. I love that my classes are mostly small so I can develop close and supportive relationships with my professors and feel comfortable asking questions and expressing my thoughts and opinions.

KARINA CHEUNG KA YAN
Nutrition & Dietetics / Hong Kong
I choose to lead with determination.

I choose Brescia because I wanted a close-knit community where I wasn’t just a number. Because I am also a member of the Western varsity swim team, I have the best of both worlds and get to embrace my introverted and extroverted sides. I spend a couple hours socializing and swimming at Western’s Rec Center on main campus and then I get to return to Brescia’s small, quiet campus where I know most people and feel more comfortable. Going between different worlds each day is a blessing. I competed in the 2016 Olympics and am training to compete in the 2021 Olympics for Antigua and Barbuda. I am also focused on having a great final year swimming for Western. Brescia has supported me as a student-athlete by accommodating me when I have competitions and providing me with anything I need. I try to lead by encouraging others to be the best version of themselves. I hope my teammates and friends see me as someone they can talk to about anything and as a woman who is driven and determined.

SAM ROBERTS
Criminal Justice & Psychology / Antigua & Barbuda

81% of women’s college and university graduates report their institution was “extremely or very effective” in preparing them for future jobs.*

51% who attended women’s colleges and universities completed graduate degrees vs. 27% of public university alumni.*

WHAT’S GREAT ABOUT LONDON?
EVERYTHING.

London is a mid-size city of about 533,000. Located in southwestern Ontario, it is the 11th largest city in Canada. You will find London to be incredibly welcoming to students. There is also plenty to see and do, such as:

- **The Factory**: Dine and play at Canada’s largest indoor adventure park.
- **Budweiser Gardens**: See your favourites in concert and attend festivals and other events.
- **JUNO Awards**: Attend fan events in London during this festival honoring Canadian music artists.
- **Victoria Park**: Hosts events, such as TD Sunfest, Canada’s celebration of world cultures.
- **Museum London**: Home to more than 5,000 works of art and 45,000 artifacts.
- **Covent Garden Market**: Buy local handicrafts, vegetables, fruits, flowers, and chocolate!
- **Thames Valley Trail**: This scenic paved trail stretches through a few of London’s parks.
- **East Park Golf**: Play 18 holes or rock climb, ride bumper cars, or enjoy the waterpark.
- **Dragon Gala**: Celebrate the Chinese New Year during this annual fundraising event at the RBC Place London.

LONDON’S POPULATION SPEAKS ABOUT 100 DIFFERENT LANGUAGES, ACCORDING TO THE 2011 CENSUS.

London has four beautiful and distinct seasons—from snowy winters, where temperatures can dip to minus 9 degrees Celsius, to hot summers when temperatures can rise above 26 degrees Celsius.

Beautiful Brescia

The Brescia campus is, in a word, stunning. It has a park-like feel with an abundance of trees and green space. You will see the occasional deer, goose, and other wildlife. Your room in Clare Hall will have a beautiful view so you can enjoy nature when you are indoors, too.

I choose to lead with patience.

When I applied to Brescia, I was attracted to the beautiful residence. I really enjoy living in Clare Hall because it is a short walk to my classes and convenient to everything. I always know what is happening on campus because the residence assistants post reminders about upcoming events and other important things. I like all of the furniture that came with my room—especially the queen bed and the bedside lamp because I like to read before I go to sleep. On weekends, I spend time in the lounge, watching TV shows. It is also a good place for making friends. I also love the food and atmosphere at the Mercato. I like to work there with a cup of coffee or sit at a big table and chat with my friends over some French fries. You can get many different kinds of food there, from Japanese sushi to Korean kimchi to Indian curry and Chinese dumplings. My favourite is Korean BBQ short ribs.

YILEI ‘ANGE’ ZHANG
Family Studies / Tianjin, China
I choose to lead with confidence.

For three years I was a facilitator for Brescia’s International Bridging Program. I got involved because I remembered how scared I felt when I came to Brescia from China and I wanted to help other international students adapt. By being a Bridging facilitator, I learned about different cultures and traditions. I worked collaboratively with and supported other facilitators. I felt a sense of achievement when new students said how much they benefited from the program. Being involved in the Bridging Program and on Brescia’s University College Students’ Council (BUCSC) enriched my life. I improved my leadership and organizational skills and expanded my network. I now have friends from all over the world. The variety of my experiences and the leadership I developed and demonstrated at Brescia helped me become a competitive candidate for the Master of Food Science program at the University of British Columbia. I want to become a quality assurance coordinator and directly impact people’s health by providing them with healthy and safe food products.

YUEJIAO LI (EILEEN)  (pictured below)
Class of 2020 / Nutrition & Dietetics / Taiyuan, China

As a Brescia's international program coordinator, I welcome you with open arms and am here to give you the support and information you need to adjust to your new life. Please reach out and I will share some great resources.

Lissette Ochoa
226.927.5398
lochoa2@uwo.ca

Brescia celebrates diversity and differences.
You will join students from all over the globe—from the Caribbean to Asia, the United States to the United Arab Emirates. While your backgrounds, cultures, and faiths may be different, you will be united by a desire to receive a student-centred education that will help you realize your future goals. You will feel welcomed, accepted, and supported. We will go out of our way to make sure you feel at home.

As you prepare for life at Brescia, you might be wondering:

• Will I fit in? (Absolutely)
• What is there to do on campus? (Plenty)
• Will I have opportunities to share my culture and background with others? (Many)

Brescia has the programs and resources to help you transition, not only to Brescia but to London:

International Bridging Program: Receive help with everything from getting your student card and bus pass to setting up your bank account and mobile phone; settling into residence and learning about Brescia and Canadian culture; and checking out London’s best shops and restaurants—and Niagara Falls!

Orientation Week (“OWeek”): Held before classes start, this fun, five-day event will help you make new friends, learn your way around campus, and connect with the Brescia and Western community.

Soph Team: Get support and guidance during OWeek and throughout your first year from this dedicated group of upper-year Brescia students.

Student Connector Program: Connect with upper-year students (called “ambassadors”) who will also be there to help you transition to life at Brescia and in London.

Unibuddy: Visit our website for the opportunity to connect directly with current students from a variety of backgrounds, countries, and programs to learn about their Brescia experience.

CONFIDENCE

SUCCEED

AT

BRESCIA

A History of Commitment

Creating a culture that supports international students has always been important to Brescia. In 1935, Brescia graduated Rosalina Saez, the first female international student to graduate from a Canadian university. Our commitment to international student success continues to this day.
DEFINING YOUR FUTURE

REWARDING CAREERS

Your Brescia education can lead to a fulfilling career, just like it has for:

Qiaoyu Wu, CLASS OF 2019
Management & Organizational Studies; Honours Specialization in Nonprofit Management; Banking Advisor, Royal Bank of Canada | Mississauga, Ontario
“Brescia’s value of leading with wisdom, compassion, and justice shaped my professional and personal life by giving purpose to what I do.”

Hien Ngo, CLASS OF 2016
Sociology; Constable, London Police Service | London, Ontario
“Brescia provided me with many opportunities to grow as a leader. Brescia has the support, resources, and guidance you need to be successful.”

Emily Kichler, CLASSES OF 2015 & 2016
BSc Foods & Nutrition, 2015; MSc Foods & Nutrition, 2017
Associate Food Editor, Chatelaine | Toronto, Ontario
“Brescia inspired me a passion for my work and the drive to continually learn. It taught me that building strong relationships is key to success.”

Emma Hammer-Healy, CLASS OF 2014
Management & Organizational Studies; Financial Analyst, General Dynamics Land Systems-Canada | London, Ontario
“Brescia offers relevant courses and real-world learning opportunities. The small class sizes allow for in-depth discussions and interactive learning.”

Sara Jafari, CLASS OF 2012
BSc, Nutrition & Dietetics | Registered Dietitian | Toronto, Ontario
“It was not easy to move from Dubai to a country where I knew no one, but Brescia welcomed me with open arms and became my home away from home.”

I choose to lead with gratitude.

I chose Brescia after participating in Take the Lead, Brescia’s public speaking contest for high school girls. Everybody was so supportive and welcoming. It was like I was already home. The academic counselors helped me organize my schedule and answered all my questions. I experienced that support from recruitment throughout my education. Brescia gives everyone an opportunity to get involved. In my last year I was president of the Caribbean Student Group. I also served as a Student Ambassador, which allowed me to meet people from all over the world and to feel comfortable speaking in front of them. My goal was always to get a good education and then return to Jamaica to work for my family’s business. I have grown as a leader thanks to Brescia. It will always be my home away from home.

I choose to lead with zeal.

As Data, Strategy and Innovation Consultant with the World Health Organization, I facilitate and implement strategic dialogues with Member States in the Western Pacific Region to develop longer-term health system transformation plans and provide support to the COVID-19 research work. Brescia prepared me for my career by combining an academically challenging environment with an emphasis on values and leadership and by facilitating holistic development, a thirst for knowledge, and a strong desire to leave a positive imprint on the world. Brescia is known for being a trailblazer, and I wanted an education that would make me question my assumptions and beliefs. What stays with me today is the authenticity and engagement of the community, the brilliance and guidance of my professors and the warmest of memories.

MALLIKA AUPLISH
Class of 2018  Sociology  from New Delhi, India  currently residing in Manila  Data, Strategy, and Innovation Consultant, World Health Organization

HELP IS HERE

If you get off track at Brescia, we have the resources to help you get right back on. Our CARE Program, for example, connects you to services and supports before difficulties become overwhelming. If you face significant, complex life circumstances, our Case Management Services will provide confidential care, coordination, and support. If you are unsure about your career path, meet one-on-one with a career advisor at the Student Life Centre or a career peer, an upper-year student leader who is trained to provide on-the-spot resume, cover letter, and LinkedIn profile reviews.

Career Support
To help you along your career journey, our Student Life Centre offers workshops, events, programs, and tools, including:
- Career Appointments
- Career Peers
- Classroom to Career Workshop Series
- Curricular Career Support
- Professional Mentoring Program

WONDERING WHERE YOUR BRESICA EDUCATION WILL TAKE YOU IN THE FUTURE? WHEREVER YOU WANT TO GO. When you graduate from Brescia, you’ll join an impressive alumnae network—women who are extraordinary people as well as extraordinary leaders. They live, learn, work, and lead all over Canada—and the world. Here are just a few of our inspiring graduates and the positions they hold. Imagine yourself among them.

RAINE WILLIAMS
Class of 2020  Accounting & Leadership  from Kingston, Jamaica  currently residing in Kingston  Business Developer, Maria Group of Companies

Career Support
To help you along your career journey, our Student Life Centre offers workshops, events, programs, and tools, including:
- Career Appointments
- Career Peers
- Classroom to Career Workshop Series
- Curricular Career Support
- Professional Mentoring Program

I choose to lead with commitment.

My experience as an international student at Brescia has been amazing. I have had the opportunity to interact with people from different countries and backgrounds. The city of Chitungwiza is welcoming and has a lot of new things to offer. Brescia helped me transition to life in Canada through the Bridging Program. I came to Canada through the Bridging Program and was ready to help others who are interested in this field.

The International Students Coordinator was there for me every step of the way. Brescia really makes sure that every student gets the individual attention they need. All of your professors know you by name, your strengths and weaknesses, and they are always ready to help you.

The University helped me learn how to navigate the city and get to shopping centres, and how to get around the city. I met other international students, learned to navigate campus, and made new friends. Brescia really helped me every step of the way. Brescia really helps me prepare for my future.

PANASHE NYAUDE (interviewed above)
Health Sciences & Community Development
Chitungwiza, Harare

FOCUS YOUR STUDIES (OR PROGRAMS)
YOU CHOOSE TO PURSUE, LEARNING AT BRESCIA IS ACTIVE—AND INTERACTIVE.
