

Dear students, faculty and staff,

You will have received the recent email communication from Western responding to the [provincial government's updated COVID-19 response framework](#) and the movement of our region from [green \(prevent\) to yellow \(protect\)](#).

As you may recall, Brescia moved to a modified "[Phase 3](#)" of our [Return to Campus Plan](#) on September 17th. The recent movement by the MLHU from level green to yellow does not significantly impact Brescia at this time. There is potential these changes could have an impact on room capacity for in-person exams or require modifications to some in-person winter courses. Once confirmed, all faculty, students and staff who may be affected will be contacted directly by the Registrar's Office.

We will keep you updated in the coming days as necessary. Please follow the guidelines given for [level yellow](#), stay safe and continue to be kind to one another.

Thank you for keeping the Brescia community safe.

Sincerely,
Cheryl
