BRESCLA UNIVERSITY HONOUR SOCIETY

Membership in the Brescia University College Honour Society is conferred upon graduating students who have contributed in an especially significant way to the life of Brescia. Students must have high academic standing, having achieved a minimum cumulative average of 75% on all university courses completed to date. Students must have participated in extra-curricular or service activities at Brescia, and should be able to show that they have played an active role in maintaining Brescia’s spirit. Service to the London community or to the student’s home town/city is also highly valued. We recognize that COVID–19 has posed challenges in terms of continued community service so please reflect on your pre–COVID–19 community service with some additional reflection about how you have maintained your commitments during the pandemic, and in terms of planning for your service commitment post–COVID–19.

This form provides Honour Society candidates with an opportunity to provide the Selection Committee with information about participation in activities and organizations at Brescia and in the community. Please submit this form to the Office of the Vice–Principal and Academic Dean, by April 9, 2021 through e–mail: bucdean@uwo.ca
