

# BRESCIA GEMS LEADERSHIP AWARD

Brescia University College recognizes the positive impact that GEMS students make on their schools and communities through their involvement. Brescia would like to acknowledge the leadership skills that GEMS students possess with an entrance award.

## About the Award

Brescia is pleased to offer 10 awards of \$2,000 each, exclusively to graduates of GEMS schools who are entering full-time preliminary year or undergraduate studies at Brescia and paying international student fees.

The awards are automatically granted with an offer of admission; there is no application required.

The GEMS Leadership Award may be held in conjunction with a Brescia Entrance Scholarship, and is valid for one year of studies (does not continue).
